

Accounting Manager

Midwest Community Federal Credit Union currently has a career opportunity for an Accounting Manager.

Position Overview:

The Accounting Manager oversees the daily operations of the accounting department and is responsible for coaching and mentoring staff and has regular interaction with the management team. Complying with general accounting standards and working closely with auditors and examiners to ensure regulatory compliance standards are met, is a necessity.

Other Accounting Manager duties include, but are not limited to: accurate and timely month-end closing, assist with the preparation of the annual Budget, quarterly Asset Liability Management reporting, and monthly financial reporting, manage payment rails, accounts payable, and monitor liquidity and borrowings. Excellent organization and attention- to- detail skills are beneficial.

The position requires 3-5 years accounting experience or a Bachelor's degree in Accounting. Midwest Community FCU is well capitalized, growing solidly and we offer a competitive salary and benefits.
