

MIDWEST COMMUNITY FEDERAL CREDIT UNION

Celebrating 70 Years

It's a milestone moment at Midwest Community Federal Credit Union as we celebrate 70 years of serving our community. For seven decades, we've been your financial partner, helping you achieve your dreams and secure your future.

From your first savings account to your home loan and beyond, we've been there every step of the way. And as we mark this special occasion, we want to thank you, our members, for trusting us with your financial journey. We hope you'll join us in celebrating at Midwest Community as we continue adding to our story.

Join Us!

To celebrate, we invite you to our Defiance branch for a day of fun, where we'll be serving complimentary food & drinks, offering several bounce houses for the kids, and hosting our first-ever GM Car Show event. Midwest Community got its start at the Defiance GM plant, and we're going to show our appreciation for our past by showcasing some of the best GM automobiles around.

Saturday, September 7th
11:00am - 3:00pm
